

The DOE has created an Equation Editor Item Tutorial for students to visit to learn how to use the Equation Editor Tools that are on the Computer Based FSA/EOC tests. Below are screen shots to show how to get to the tutorial from the portal. The link is: http://demo.tds.airast.org/eqtutorial/?c=florida_pt&language=true#

The screenshot shows the Florida Standards Assessments portal. The navigation menu on the right includes buttons for 'Administer the FSA', 'Secure Browser', 'FSA Resources' (highlighted with a red box), 'Training and Practice Tests', 'Online Reporting System (ORS)', 'TIDE', and 'Visit FDOE'. The main content area features a 'Welcome to the FSA Portal' section with introductory text and links to various resources.

The screenshot shows the 'FSA Resources' page. It includes a search bar and a table of resources. The 'Equation Editor Item Tutorial' resource is highlighted in yellow.

FSA Resources

This page provides links to manuals, user guides, schedules, and other important documents related to the Florida Standards Assessments. Use the search feature at the top right to quickly and easily find any resource on the site. Enter keywords related to the document you are trying to locate; e.g., schedule, user guide.
