Switzerland Point Middle School Winterguard

Switzerland Point Middle School - 777 Greenbriar Road | St. Johns, FL 32259

Sponsorship Opportunity

What is Winterguard at Switzerland Point Middle School?

Winterguard is an indoor color guard sport derived from military ceremonies or veteran organizations ceremonies. Unlike traditional color guard, Winterguard is performed indoors, usually in a gymnasium or indoor arena. Performances combine the use of music, dance, and weapons routines to bring this sport of the arts to life. Each show is thoughtfully put together by the Winterguard team here at SPMS and led by a team of incredibly talented and dedicated coaches and support staff who are devoted to teaching the students on the team not only the technique of the sport, but they also provide the students the opportunity to see how they can inspire others through each performance.

Who is the Winterguard team at Switzerland Point Middle School?

The Winterguard team at SPMS is composed of students in 6th through 8th grades who display exemplary moral character and maintain excellent grades in school. The students on this team are encouraged and expected to be role models in their community. Many of the team members on our team serve their community in a variety of ways, even outside of Winterguard; we have Girl Scouts, National Junior Honor Society members, community volunteers, etc... Each team member brings unique experience to the table which makes our team so special.

Why Partner with Switzerland Point Middle School Winterguard?

By partnering with the SPMS Winterguard team you would not only be supporting St. Johns County students you would be supporting the arts within our community. As one of only three school - sponsored sports at SPMS we need sponsorships to offset the cost for our expenses. With your support more students at our school will be able to participate in Winterguard and in turn will have the opportunity to learn a new lifelong skill, gain a deeper appreciation for a variety of art forms, and have the chance to travel and compete at the highest levels for middle school Winterguard teams in our state. We genuinely appreciate your consideration and thank you for your dedication to our community!

Sincerely,

Dawn Evans
