- Students (not parents) should log into their FLVS account. You can contact FLVS if you need assistance in obtaining your username and/or password - <u>https://help.flvs.net/help/usernamepassword</u>
- 2. Click on the menu bar at the top left-hand corner of your dashboard

4. Leave the top three lines (US Student, Florida, District) the same. If you have moved from another county, please change the name from your old county to your new one (St Johns County). If you are in the same county, do not change it. Change the last row to your new school's name by clicking on the down arrow and scrolling until you find your new school (Insert School Name). Click on the name of the new school. School Counselor information is below. Now go all the way to the bottom of the page and click "save" on the bottom right-hand corner of the screen. You are all set!
