

SWITZERLAND POINT MIDDLE SCHOOL

Respectful. Responsible. Safe.

OUR PROMISE

We are a dynamic and “Raiderific” school where students are prepared to become positive contributors to their community. Through individualized support, strong communication, and high expectations, students are given the tools they need to succeed in and beyond the classroom.

POINTS OF PRIDE

HIGH-ACHIEVING ACADEMICS: An A-rated school for multiple years with academic scores that continue to rise. Our school offers advanced coursework opportunities, including Biology for high school credit in eighth grade, along with accelerated pathways where students can earn up to four high school credits in multiple subjects.

ARTS, ATHLETICS, AND ENRICHMENT: Athletic teams compete in volleyball and basketball, often advancing to regional competition, while additional opportunities include Math Counts, Student Council, National Junior Honor Society, International Thespian Society, and leadership programs like WEB.

STUDENT LEADERSHIP: A strong culture of support and leadership where students take care of one another. Programs like Sources of Strength, Raider Guides, and the Purple Star program help teach resilience, create connection, and provide support for all students.

TESTIMONIAL

“ Coming from a small, private school, we were hesitant about sending our children to a public school. But Switzerland Point MS exceeded our expectations!! The level of education has prepared them for high school and beyond! The staff and administration communicate well with the parents and truly care for all the students. ”
